

Pooh Bridge

Driving to Pooh Bridge

Leave Hartfield Village turn left from the Anchor Inn (South) on the B2026 bear left on this road sign posted to Maresfield. After 1.5 miles you pass a sign saying Chuck Hatch, 500 yards after that take a turning on your right sign post to Marsh Green and Newbridge. The 'Pooh' car parking area is about 100 yards on your right amongst the trees.

There is disabled parking near the double gate.

In the right hand corner of the car park follow the path through the woods, over the wooden climbing walkway and follow the signs for the bridge. Collect your Pooh sticks on your way through the wood.

You will come to a bridge, go over and proceed to a fork in the path, take the right hand one and walk to Pooh Sticks Bridge.
